Dear Sir, I refer to my letter of the 7th ultimo respecting the steamer "KATRINA". I have to inform you that a cablegram has been received from the London office stating that this vessel is a dry dock to-day at the Amsterdamse Droogdok Mij, vessel's class.

When attending on board it was stated by the Master and the Superintendent that the Owner decided to bring the vessel under Bureau Veritas class.

At our request it was stated that an official letter about this decision would be sent to this or to the London office.

The Secretary,
London.

Yours faithfully,
