B.S. due 1.29 Now held
Stern bush Specially Examined.

The Clarke Chapman system of pulverised fuel has now been fitted to the Centre and Starboard Boilers. 2 new generators have been fitted in the Engine room to drive the pulverising plant.

As there is still one boiler without provision for burning pulverised fuel, it is submitted that, for the present, no special notation regarding pulverised fuel be made in the Register Book.

It is submitted that
this vessel is eligible for
THE RECORD. B.S. 4. 29 when

It is submitted that
this vessel is eligible to
remain as CLASSED Subj. to stern

bush being Examined or renewed at next
docking.
