Reference

Dear Sir,

In reply to your query in the enclosing letter of the 20th. instant respecting the S.S. "WAR PALACE", I beg to state that the size of the Chain Cable certificate No. 12958 should have been recorded as 1 15/16" not 1 5/16, a clerical error having occurred in writing the report.

I am, Dear Sir,

Yours faithfully,

The Secretary,
London.

Yours respectfully

Wm. H. Smith

Enclosed for Mr. Hill is a copy of the report

of the survey of the "Hudson River" made by the U.S. Fish Commission in 1887. The report is in two parts, one of which is a general description of the river and the other is a detailed description of the fishery. The report is of great value to the Fish Commission and to the public.
