22nd January, 1936.

Dear Sirs,

F. I have to acknowledge the receipt of your forms C.11(b) and C.12(a) in respect of the steamer "KONG HO" ex "KAITOKE".

It is noted from your Rpt. 8 No. 9346 on this ship that a complete Special Survey No. 1 has been carried out and I have to inform you that it is the usual practice for a Freeboard Renewal Survey instead of an Annual Survey to be carried out in conjunction with a Special Survey, in order that a new Freeboard Certificate, valid for a period of five years from the Special Survey, may be issued.

It is concluded, however, that you are in a position to furnish a Renewal Survey report form on the case - C.11(d) - and fresh Certificates, valid for five years, have been prepared and are enclosed for issue after endorsement by the Chinese Authorities.

I await the receipt of your form C.11(d).

An additional copy of the Certificate is also sent for transmission to the Chinese Authorities.

The Surveyors,

KOBE.

I am, Dear Sirs,
Yours faithfully,

Assistant Secretary.
