20th January, 1934.

Dear Sirs,

I am in receipt of your letter of the 18th instant relative to the steamer "NEWMANVILLE", and note that the Owners are arranging to carry out the survey for the renewal of the freeboard certificate at Bordeaux next week.

With regard to the second paragraph of your letter I have to say that as the original Convention certificate for this ship was only issued in June 1933, in accordance with Circular 1614 of the 4th May last no fee is chargeable for the Renewal Survey to be carried out at this time, and the Bordeaux Surveyor is being informed accordingly.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
HAVRE.
