ITALIAN VESSELS CLASSED IN THE SOCIETY'S REGISTER BOOK.

The attached list contains the names of 174 classed Italian Vessels, and in accordance with the General Committee's Minute dated the 15th March last it is submitted that a Notation of "No later survey reported" be made against the name of each vessel in the reprint of the Register Book.

(NP. This list includes the names of certain vessels which have recently become casualties, but whose names will appear in the reprint of the Register Book: also three vessels taken as Prizes and surveyed by the Society but not yet reported.)

Committee's Minute:

Friday, 1st August, 1941.

Record "NO LATER SURVEY REPORTED" in each case.

Note:- Included in the list referred to was the name of the steamship/motorship "MARIA"
