Dear Sir,

With reference to the enclosed first entry report on the above motor vessel and to the plan of pumping arrangements which is being forwarded under separate cover, we have to inform you that a sketch is attached to the original approved plan of pumping arrangements, showing the new piping connections made on the general arrangements.

A sanitary pump (marked in yellow) has been fitted and is connected to the main bilge line; also a sulphurous oil pump (marked in red) has been fitted and connected to the deep tank suction.

I am, Dear Sir,

Yours faithfully,

W. H. Richards

The Secretary,
