7346 "ADRIA". Deferred for completion of Special Survey No.3.
I think it well to point out that it is not the practice to
recommend a fresh record of survey when a special survey is
overdue.

7348, 49. As recommended.

7350, 51(RMC). As recommended.

"MARIA". A report having been received from the Society's
Surveyor at Naples on this vessel, I shall be glad to
receive your first entry report with a view to the case
being submitted to the Committee as soon as possible.
