Yours respectfully

I am, Dear Sir,

With my letter of the 2nd inst. I enclosed to you a letter from the Chief Engineer Surveyor, in which he has requested that you should be good enough to inform him of the result of the test of the new motor. I am sorry to hear that the test has not been successful, but I am sure that you will be able to find out the cause of the failure, and I am sure that you will be able to make the necessary arrangements to have the motor tested again.

I beg to acknowledge the receipt of your letter of the 2nd inst.

Yours faithfully,
H.B.
