Enclosure.

16th January, 1946.

Dear Sir,

U.N.L. VALENCIA, YARD NO. 40.

I have to acknowledge the receipt of your letter of the 4th instant, and to inform you in reply that the plan forwarded therewith showing the coupling between the crank and thrust shafts has been noted and is in order.

I should point out, however, that the coupling referred to in my communication to you of the 10th ultimo and in previous correspondence is the loose coupling between the thrust and screw shafts shown in outline on drawing No.256M, and I shall be glad to receive particulars of this coupling.

One copy of the plan forwarded is returned herewith.

Yours faithfully,

Secretary.

F. Larrucea Esq.,  
BARCELONA.
