Enclosure.

17th May, 1935.

Dear Mr. Ormiston,

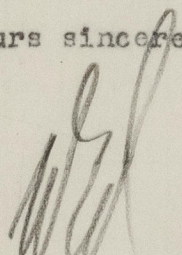

M.S. "BARBARIGO"

With reference to your letter of the 13th instant addressed to me, your verification of marking form has now been made official and the records in the Register Book will be amended.

In regard to the record of draught at present in the Register Book which corresponds to the original freeboard assigned, the record is quite correct and for your information I am enclosing a draught sheet which indicates how the draught was computed.

With kind regards,

Yours sincerely,

J. S. Ormiston, Esq.,

GENOA.
