Dear Sir,

" CHARTERED " S.S.

We duly received your letter of the 19th inst., in regard to the Special Survey of the Boilers which is now due.

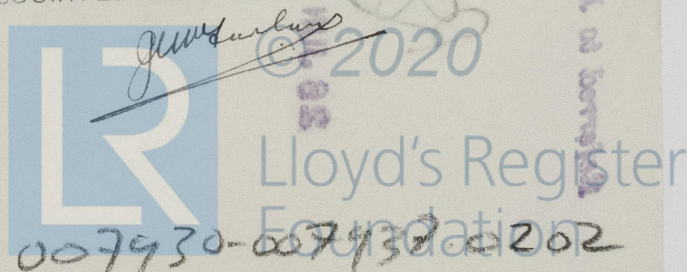

Towards the end of April last year we had occasion to Drydock the above vessel for bottom damage repairs, which were not completed until the end of May. On account of this fact it was decided to carry out the Second No.1 Special Survey which normally we would not have done until later in the year.

Generally speaking, we stop this vessel for Annual Overhaul or Survey in August or September, consequently we would appreciate if you would be good enough to allow us to defer the Special Survey of the Boilers until vessel stops for Annual Overhaul during August or September this year.

Thanking you in anticipation.

Yours faithfully,

For and on behalf of
STEPHENSON CLARKE AND
ASSOCIATED COMPANIES LIMITED
