

27th November, 1918.

Dear Sirs,

I am in receipt of Mr. Paterson's letter of the 22nd instant forwarding four copies of Completion Certificate for the S.S. "WAR DIRK" built by The Caledon Shipbuilding and Engineering Co. (Yard No.260), and with regard thereto I have to inform you that the matter is being taken up with the Department of the Controller General of Merchant Shipbuilding and the Ministry of Shipping. I shall be glad if you will inform the Builders accordingly, and ascertain what arrangements can be made with them for having the specified tests on the derricks carried out and for having the fore mast dealt with.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

DUNDEE.
