

## POSTPONED SURVEYS.

Case of the..... S.S. "HWA LOONG".

51 in in Reg. Bk. 739 gross tons, Built 1928-4mo.  
Supp.

Owners.....

Port of Registry.....

Validity of the present "Examined" record expired 12.46.  
Provisional Load Line Certificate expired 18.5.47.

In March last the vessel was examined by the Hong Kong  
Surveyors with a view to extending the Load Line Certificate. It was  
stated that the vessel would be docked within two months for General  
survey and repairs for maintenance of class. Action was  
being deferred.

The Shanghai Surveyor now reports that he addressed a letter  
to the Owners on the 10th and 21st March last requesting their  
views regarding the carrying out of the overdue surveys, but has so  
far received no information from them, and has therefore again written  
for information.
