s.s. "FRIEDEN"

Dear Sirs,

I very much regret having to inform you that I have at the last moment decided to transfer the classification of the above named vessel to another Society, and I shall be glad if you will kindly make a note of this. I have enclosed herewith the latest classification certificates.

I had intended maintaining your Society's class and for this reason I had requested your Surveyor, Mr. Bowman, to proceed to Flensburg on the 18th September for the purpose of the boiler survey. In the mean time, however, I have changed my mind. The repairs recommended by Mr. Bowman have been carried out by the Flensburger Schiffsbau-Gesellschaft.

Should the survey by Mr. Bowman have entailed any expenses, I shall, of course, be willing to defray them.

Yours faithfully,
