D.M.B. SURVEYORS

COMPLETION CERTIFICATE

This is to certify that the Undersigned Surveyors to this Society, did at the request of the Admiralty, survey during construction, the hull, machinery and electrical equipment of the Steel Screw Steamer "EMPIRE PERDITA" 7028 tons gross of South Shields built by Messrs. John Readhead & Sons, South Shields.

The ship and machinery have been built and equipped in accordance with the requirements of the Society for Class @ 100 A.1. with freeboard and @ L.M.C.

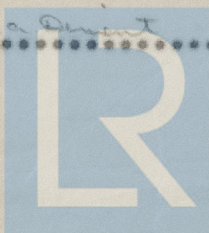

All the requirements of the finally approved plans and Admiralty "as fitted" Specifications have been carried out.

The trials of the main and auxiliary machinery, the steering gear and windlass were carried out in the River Tyne at Builders Quay by 23rd March, 1943, with satisfactory results.
