ENCLOSURES

8th November, 1932.

Dear Sir,

With reference to your report C11 in the case of the steamer "MINNA" I now enclose herewith the usual assignment letter in respect of this ship.

At the same time I enclose an assignment letter for transmission to the Owners and shall be glad if you will be good enough to ascertain from them and let me know when and where the bunkers in the bridge tween decks can be examined.

In connexion with the last paragraph of Page 2 of the enclosed letter I have to say it is concluded that the hook bolts referred to do not pass through the bulkhead plating.

I am, Dear Sir,

Yours faithfully,

pro Secretary.
