Dear Sir,

Motorships "MARY SWEENEY" and
"PATRICIA SWEENEY"

I have to acknowledge receipt of your letter of the 12th instant respecting these cases and in reply have to state that the scantlings of the single bottom in the machinery space requested, are for floors, middle line keelson, etc., as detailed on page I of your First Entry report, and not bottom shell thicknesses as furnished in your letter.

I shall be glad if you will furnish me with this information as soon as possible, by airmail.

Yours faithfully,

Clerk to the
Classification Committee.

W. Montlie, Esq.,
