1941-42 REPRIN

STER BOOK.

The following Classed vessels have been purchased by the Admiralty and are not expected to return to Commercial Service.

The circumstances have been confirmed in each instance (mainly through Mr. J. W. Murray, the Society's Liaison Officer at Bath), and as a consequence all particulars have been omitted from the Reprint in these cases.

| <u>LARGE STEAM & MOTOR.</u> | <u>LARGE STEAM & MOTOR.</u> | <u>SMALL STEAM & MOTOR.</u> |
