## QUESTION.

## ANSWER.

With reference to my letter of the 26th April last addressed to the Owners, a copy of which was forwarded to you, I have to point out that the validity of the notation of "Examined 12.47" will expire at the end of December next and I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making for the Classification Survey to be completed.

I think it well to point out that the Boiler Survey will also become due at the end of December next.

Date:—20th October 1948

It is proposed to dry dock the vessel in the beginning of the next month and the Classification Survey will then be completed and the Boiler Survey carried out.
