THE SECRETARY,

 71 FENCHURCH STREET,
LONDON. E.C.3.

S Dear Sir,

FERRY STEAMER "MURITAI"

I have to/acknowledge receipt with thanks of your letter and enclosure respecting the Ferry Steamer "MURITAI".

The Owners have already been advised that all rivetted seams of the forward boiler must be bared for Special Examination at the next Boiler Survey.

I read with interest your letter to the Eastbourne Borough Council also reference to Mr. Ripley's Report. However, I still maintain from my examination and it is my considered opinion that the cause of this trouble is due to, the original fault or at least 90% of it.

herne!

I am, Sir,

Yours faithfully,

George D. Lidgett
