ENCLOSURE.

25th January, 1939.

Dear Sir,

S.

With reference to your letter of the 20th ultimo respecting the steamer "MURITAI" I think it well to enclose herewith for your information copies of letters which have been addressed to the Owners and Wellington Surveyors, from which it will be seen that, as the result of metallurgical investigation which has been carried out by Mr. Ripley, the defects in the forward boiler of this vessel are considered to be due to chemical action.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

A. J. McCowan, Esq.,
