,20th April, 1948.

Dear Sirs,

S.

I have to acquaint you that in view of the contents of your memorandum of the 9th instant, respecting the steamer "GONCALO VELHO", the Committee have now given instructions for the notation "Laid up pending survey and repairs" to be inserted in the classification column of the Register Book in this case.

I may say that immediately the outstanding surveys are ~~carried~~ out the notation will be removed.

I shall be glad if you will inform this Office without delay should this vessel leave port without the required surveys and repairs receiving attention.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

LISBON.
