Dear Sirs,

m.s. "EMPIRE GRENFELL"

As you are probably aware, the above named vessel, managed on behalf of the Ministry of War Transport by Messrs. Sir R. Ropner & Co. Ltd., has been allocated to the Norwegian Government under the Allied Tonnage Replacement Scheme.

She will shortly be taken over at Hull, and we shall be glad to know whether there are any outstanding recommendations or marks against the vessel, and how matters stand as regards surveys.

Yours faithfully,
THE NORWEGIAN SHIPPING AND TRADE MISSION.
