Dear Sir:

"JACO"

I have made enquiries of the Agents who handled this vessel when she was in Curacao last, the Venezuelan Consul and others who I thought might be interested in her, but have not been able to get any information whatever.

It is no use me writing to Mr. Juan Luis Sanchez Permia, Caracas, Venezuela, the address is not sufficient and the Consul here cannot give me his address.

As this vessel is in the cattle trade I have been waiting to see if she would bring cattle here but so far she has not called.

I have no connections in Caracas and so know of no way of getting the information required.

Yours very truly,

C. J. Westbury

Surveyor.
