3rd May, 1951.

Dear Sir,

With reference to your report No.3616 relating to the survey carried out in January last on the Motorship "JACO", I have to acquaint you that underwriting interests in London are querying your charge of F.125.00 in respect of the repairs which they state cost very little more than this sum to execute.

These repairs are, of course, limited to those referred to on the back of your report surveyed at the request of Lloyd's Agents.

In the circumstances I shall be glad to be furnished with your comments.

Yours faithfully,

Clerk to the
Classification Committee.

C.H. Westbury, Esq.,
