

the Surveyors showed we informed  
that if the bridge front stiffening and  
brackling be made equivalent to the  
requirements of the Freeboard regulations  
page 26, a summer freeboard of  
1'-3" could be assigned.

DEBOARD REPORT on the

*s/s bits*

It is submitted the Freeboards given on the  
accompanying form being those required by the  
Tables merit approval, *subject to facilities being  
fitted to enable the crew to get to and from  
their quarters without descending into the well.*
