Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

20th February, 1950.

Dear Sirs,

M.S. "WOLFE ISLANDER"

H.

The above vessel does not appear to have been submitted to Periodical Survey since she was built and I shall therefore be glad to learn what arrangements are proposed to be made regarding the Annual Classification Survey, Intermediate Machinery Survey and Screwshaft Survey which are overdue.

Yours faithfully,

Clerk to the
Classification Committee.

The Principal Surveyors,
MONTREAL.
