Dear Sir,

Reverting to your cablegram of the 26th and my interim cabled acknowledgment of the 27th ultimo regarding the case of the steamer "POINT CLEAR", I have to acquaint you that while we have now received the Hamburg Report, we are still in correspondence with the Hamburg Surveyors on points of detail regarding the four deep tanks forward of the Boiler Room.

I hope it will not be long before their reply is received but until that comes to hand and the report is submitted to the Committee, I am unable to comply with your request for copies.

Yours faithfully,

Clerk to the  
Classification Committee

Wm. Bennett, Esq.,  
NEW YORK.
