Messrs. Foo Ming S.S. Co.,

Dear Sirs,

s.s. "TA LUN"

Further to our letter of 7th inst. requesting three copies of drawings showing the new general arrangement of the vessel in view of the major alterations and repairs now being carried out, I would be obliged to have the delivery of the drawings expedited.

Also I would be obliged to know what arrangements are proposed to be made to carry out the Water Tube Boiler Survey which became due in June last.

Yours faithfully,
