Dear Sir,

s.s. "TA-WEI" and "TA-LUN"

With reference to your letter dated 18th Sept., 1946 regarding the proposed geographical limits for trading of the above as passenger cargo vessels for assignment of Freeboard. I have been informed that the Government are considering handing the craft over to the Chinese Navy.

However, this has not been settled as yet, and I shall advise you on the outcome of their deliberation when I receive this information.

Yours faithfully,
