Dear Sir,

With reference to your enquiry in the classing letter of the 23rd instant, concerning the motor vessel "FUSIJAMA", I beg to inform you that the new type of supercharger referred to in our letter of the 16th March 1928 was not fitted, but that the usual type of superchargers, as fitted on several other vessels built in this district, and with which the maximum pressure in the engine cylinders is 35 kg/cm², were fitted.

I am, Dear Sir,

Yours faithfully,

V. Lockrey

The Secretary,
LONDON.
