Re: C.N.773 M.S. "FUSIJAMA".- free board.

Messrs.

Lloyd's Register of Shipping

TRIESTE.

It is our intention to construct the watertight door at the front bulkhead of the poop as per plan L 519 which we enclose herewith with the request that you may kindly reconsider the height of the freeboard of the vessel in question to the effect of this modified part.

For this purpose we are returning the letter dated 6.2.29 regarding the freeboard of the motorship in question.

At the same time we have to acknowledge receipt of your letter of 19th inst. with the suggestion that we may keep in abeyance the marking of the freeboard.

Yours &c.
