

LLOYD'S REGISTER OF SHIPPING

TRIESTE, 24th August 1927.

ENCLOSURE.

Dear Sir,

We have been requested by the Stabilimento Tecnico Triestino to indicate the preliminary freeboard for a motor cargo vessel of the same type as their yard No.747 "ARABIA", but with shorter erections.

A preliminary freeboard calculation is enclosed herewith and the Builders are being informed accordingly, but we shall be glad to have your confirmation of the freeboards indicated thereon.

The Builders state that this vessel is only in the design stage and, if built, would be according to the Rules and for the highest class of this Society.

I am, Dear Sir,

Yours faithfully,

K. G. Lumbull

The Secretary,  
LONDON.
