

Airmail

8th August, 1955.

Dear Mr. Anderson,

By strange coincidence the Committee had before them on Friday last the cases of three old ships the "INCHJURA", "LOWANA" and "SUNON", each of which was being transferred to Bureau Veritas class.

We are naturally wondering whether there has been any significant local activity on the part of the Bureau Veritas, and I am sure that any additional information you may be able to obtain will be noted by the Committee with great interest.

Could you therefore drop me a line on the subject.

With kindest regards,
Yours sincerely,

J. A. Anderson, Esq.,
HONG KONG.
