Dear Sir,

RJS

I duly received your letter of the 14th instant enclosing one from the Owners of the "HUAN" and shall be glad if you will inform them that the Committee are quite unable to accept the items stated to have been surveyed by the Registro Italiano in November last as part of the Special Survey due under the Society's Rules at the end of this month.

It is a point of principle with the Committee that all major items of a Special Survey should be carried out by the Society's Surveyors, and it was clearly the Owners' responsibility if they wished to maintain dual class to have called in our Genoa Surveyors seeing that apparently the ship was under Registro Italiano survey at your port for the greater part of November.

Yours faithfully,

Clerk to the
Classification Committee

J. A. Mavor, Esq.,
GENOA.
