Dear Mr. Stewart,

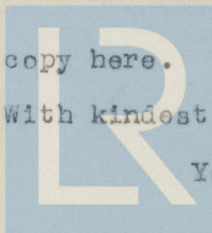

Many thanks for your letter of yesterday's date calling attention to the typographical error in our official letter of the 5th instant advising the Classification Certificates of the steamer "BIALYSTOK" ex "Ocean Hope". The date should, of course, have been 2nd September 1942, and I shall be glad if you will amend the original letter accordingly.

I am altering the copy here.

With kindest regards,

Yours sincerely,

W. Stewart, Esq.  
MIDDLESBROUGH.
