Dear Mr. Mayne,

I am sorry to have troubled you so much over the question of the "LA PERLA" Classification Certificates and am much obliged for your telephone message this morning.

Since hearing from you I have had a conversation on the 'phone with Mr. Woodward the Secretary of Cammell Laird & Co., and have arranged to take the Certificates over on Friday, when he hopes to be able to hand me a cheque for the fees. If this is not possible Mr. Woodward guarantees that the cheque will be forthcoming at the beginning of the week.

I am returning the certified copies of certificates for the "SANTA TERESA" and have to confirm my wire to you, as follows,

"CERTIFIED CERTIFICATES RECEIVED FOR SANTA TERESA SHOULD BE SANTA TERESA NUMBER 82343 IN 1924-5 REGISTER BOOK"

This vessel you will observe was owned by Messrs, T. Royden & Son and foundered in September 1924.

I have assured Mr. Royden that the copies of certificates will be here tomorrow morning.

With kind regards,

Yours faithfully,

F. A. Mayne, Esq.,

P.S. I might say that the account in this case was as the images were obtainable and in fact it was necessary to anticipate the expenses of the Surveyor who attended the trial trip to the Clyde.
