Dear Sirs,

BOILERS FOR TRANSPORT FERRIES.

We are advised by the Admiralty that the boilers carrying our Serial Nos.340/121/5 & 6 were eventually fitted in vessel J.1867 engined by Messrs. Harland & Wolff in lieu of J.1865 (Messrs.Connell) as previously indicated. It is understood that the boilers for J.1865 are being supplied by Messrs. John Thompson.

The changes will necessitate an alteration to your Committee Reports for these boilers and no doubt you will set this procedure in motion.

The Reports in question were returned to your office on the 16th December, 1944.

Yours faithfully,

For - INTERNATIONAL COMBUSTION LIMITED.

Signed T. Smeaton.
