Collingwood Buildings, Newcastle-on-Tyne, 1.

24th May 1939.

The Secretary,
LONDON.

Dear Sir,

s.s. "SOBIESKI".
Swan, Hunter & Wigham Richardson Ltd. Ship No.1572.

We beg to enclose herewith two Plans -
Midship Section, Profile and Decks, as fitted - for the purpose
of preparation of Classification Certificate. The Owners are
desirous that the Certificate should be in their hands before
the vessel sails from Gdynia on June 10th for South America
and would therefore be obliged if the Document could be issued
to the Shipbuilders as early as possible.

Certain small items in connection with the
Classification Survey still remain to receive attention but
we hope to be able to forward our First Entry Reports tomorrow
or on the following day. The vessel is expected to sail from
the Tyne on the 26th instant for Gdynia.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,
