

3 Masted Wood Schooner "MARIE JEANNE".

This vessel is being examined at St. Malo with a view to classification with this Society.

The St. Malo Surveyor desires to know what the cost would be for the testing of the cables at Cardiff.

It is submitted that the Superintendent to Lloyd's Proving House at Cardiff should be asked to state what the cost of the testing of this cable will be; the approximate size of cable is 165 fathoms of 1 inch.
