The SECRETARY

Lloyd's Register of Shipping  
London.

Dear Sir,

S/S "LOUGHBROW" & 3/M Sch. "MARIE-JEANNE".

Please find enclosed copy of Special Damage Report concerning above vessels.

Concerning the French 3/M Sch. "MARIE-JEANNE", I will have shortly the pleasure forwarding you the Classification Report, as this vessel is now finishing its reconstruction.

I held Survey with Mr DEMAREST, the Society's Surveyor at Nantes, and I am only awaiting to see the finishing up of the new spars and a great part of the rigging.

The anchors and chain-cables are in good condition, and I have decided with the Owners to have them tested at the Lloyd's Proving House at Cardiff at the ship's first arrival there, and whereto this vessel will make her first voyage.

Will you please instruct me <sup>at</sup> the extra cost, which this test will amount to, so as I can instruct the Owners about it.

Meanwhile I remain dear Sir,

respectfully yours.
