ALW/LME

Dear Sir,

With reference to the classification in the Society's Register Book of the Panamanian Steamer "DOREA", of 6550 tons gross, built in 1922, I am requested to inform you that as the Owners have failed to carry out necessary repairs and to complete the Special Survey within the period of grace allowed by the Committee, it has been decided to expunge the vessel's class on account of reported defects.

Yours faithfully,

pro Clerk to the  
Classification Committee.

The Principal Clerk,
