Dear Sirs,

Steamer "DOREA"

m.(H)

I have your letter of the 17th June the contents of which have been noted, and would inform you that it would appear from the records in this Office that no part of the Special Survey of the hull or machinery has yet been carried out.

The ship's class is subject as noted in Special Reasons List No.159.

A complete Boiler Survey requires to be carried out at the Special Survey.

Yours faithfully,

The Surveyors,  
NAGASAKI.

Clerk to the  
Classification Committee.
