23rd August 1961.

Dear Sirs,

S.S. "NAVEM MONICA"

With reference to your letter of the 16th August, I note you have been informed that this vessel was drydocked in March last without<sup>your</sup> being advised. In the circumstances I shall be glad if you will ascertain and let me know within what time it is expected she will be again drydocked and examined by the Soccity's Surveyors.

With reference to my enquiries of the 20th June and 31st July, I await information as soon as possible regarding the Owners' arrangements for carrying out the Main Boiler Survey, which became due so long ago as March last, also for the Screwshaft Survey, due at the end of August, to be held.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
RIO DE JANEIRO
