LLOYD'S REGISTER OF SHIPPING,

WELLINGTON, 13th January, 1930.

Letter No. 1174

Reference DKB/WGT/9

Secretary,
Lloyd's Register of Shipping,
Fenchurch Street,
LONDON, E.C.3.

Dear Sir,

S.S. "HOLMDALE" & "JOHN".

I enclose herewith formal notification from the
members of the withdrawal of above vessels.

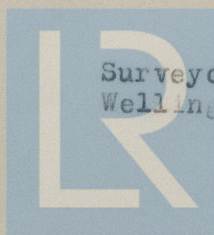

The reasons have already been dealt with in Messrs
Heron & Co's letter of 31st July last, and my letter No. 1010
written in connection therewith.

The indications are that the conference recently
held here on the matter, at which Mr. Heron came over to attend,
will probably be resultless as far as the Society's position is
concerned, at least that is the opinion of ^{some of} the ship-owners.

I personally regret very much the withdrawal here
of any vessel from the Society's classification, but until the
New Zealand Government recognise it, I am afraid withdrawals
of local vessels will continue.

I am, Sir,

Yours faithfully,

Surveyor to Lloyd's Register
Wellington N.Z.
