Dear Sir,

Steamer "SAINTE BERNADETTE"

S. The contents of your report No.1641 are noted, but before submitting the case to the Committee, I shall be obliged if you will kindly confirm by airmail, that the drillings of the upper and raised quarter deck plating are a fair indication of their general condition, and if so it is considered you should state what arrangements have been made for bringing these decks up to, or equivalent to, the Rule requirements.

Yours faithfully,

Clerk to the  
Classification Committee.

R.J. van Dam, Esq.,

ALGIERS.
