

S.S. "NORTHWESTERN MILLER".

This vessel has been under survey in London for six months for very extensive damage repairs and Special Survey No.1.

78 visits have been paid by the Ship Surveyor, and 20 by the Engineer Surveyor, who suggest that an inclusive fee of 150 guineas to include also the statutory fee for survey and assignment of freeboard, should be charged.

23rd February, 1920.

150 guineas approved
