Dear Sir,

I beg to acknowledge the receipt of your letter of the 30th instant enclosing the First Entry certificates on Hull and Machinery of the Diesel Electric Motor Ship "LA PLAYA" and with regard to the record to be made in the Register Book of the engines in this case I think it well to call attention to the fact that this vessel is fitted with an auxiliary boiler with a working pressure of 140lbs per square inch and a donkey boiler with a working pressure of 80lbs per square inch as shewn on Manchester report No. 5181 attached to the First Entry report.

I am, Dear Sir,

Yours faithfully,

L. P. Hutton
