Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

1st October, 1928.

Dear Sir,

I am in receipt of your letter of the 14th ultimo respecting the freeboard of the s.s. "INDIRA", and with regard thereto I have to state that as this is a British Vessel the Official Number and not the Port of Registry is entered on the freeboard certificate.

As the Official Number has not been changed in this vessel, the freeboard certificate correctly describes the ship, and no action is therefore necessary.

I am, Dear Sir,

Yours faithfully,

Secretary.

J.P. Southwell, Esq.,

BOMBAY.
